

FLOR SILVESTRE

TUPUNGATO

DATA SHEET *MERLOT* 2021

LINE: A FLOR DE PIEL

VINTAGE: 2021

ALCOHOL: 13%

HARVESTING METHOD: Hand harvesting.

VINEYARD: Our Merlot comes from a vineyard located in Agua Amarga, Cordón del Plata, Tupungato, Uco Valley, Mendoza.

SOIL CHARACTERISTICS: Sandy, stony and alluvial soil. The vineyard is located at one of the banks of the Agua Amarga stream.

WINEMAKING METHOD: The wine is made directly following a traditional method and it is aged in the winery old concrete tanks.

"This line seeks to be faithful to its place of origin. Our aim is to bottle emotions, feelings, moments and landscapes."

Winemaker: Agustín Balestra Zingaretti advised by Gonzalo Tamagnini.

Agricultural Engineer: Agustín Balestra Zingaretti.
